Gold Standard *Exclusive On-Site* *Medical Care*

The Stratford Square at Scottsdale is pleased to offer medical oversight in conjunction with the concierge medical practice of Mount Mederi. Services will offer residents direct access to Dr. Alberto M. Guerrero or his associates 24 hours a day, 7 days a week. Dr. Guerrero will work through our team to provide onsite treatment for your loved one residing at the Stratford Square. We can avoid unnecessary emergency hospital visits by initiating testing and initial treatment under the direction of Dr. Guerrero in the comfort of our resident's own home. The Stratford Square at Scottsdale will access the support services of Dr. Amy Frazier, Geriatric Psychiatrist, and Pamela Miller, Clinical Social Worker, both associates of Mount Mederi. Our team will oversee and manage medical services and care the specialists of Mount Mederi deem necessary for the comfort and well being of your loved one. The unique medical care of Mount Mederi is offered exclusively by the Stratford Square at Scottsdale.

Gold Standard medical care can give you the comfort and peace of mind knowing your loved one is receiving the best medical care assisted living has to offer.

Gold Standard Benefits

Ability to diagnosis and then prescribe treatments and therapies specific to dementia residents

Expect decreased need for taking residents out of community for doctor appointments

Allow early intervention to slow resident decline and improve quality of life
